talk to us and we will help you to **choose** from over 15 **universities** in the UK

Bright World is a British company with over 20 years of experience in helping students from overseas to join UK schools, colleges and universities. Bright World University Placements helps overseas students to apply to and join a British University at both undergraduate and postgraduate level.

then choose us as guardians if you are under 18

If a child is under 18 and applying to a UK university, it is likely that the university will ask for a UK guardian to be nominated until they reach the age of 18.

Bright World has developed a low cost programme for university students who need a UK guardian and we are happy to help you at any of the universities we work with and in most other areas of the UK.

Bright World Guardianships has been established since 2000 and is a fully accredited (AEGIS) registered guardianship organisation.

work with experienced **professionals** who understand

The Bright World Team is dedicated to offering impartial and well-considered advice to any student wishing to come to the UK to study. Our experience makes applying and joining a UK university stress free and well organised. If you choose Bright World to help you apply then you can be assured of a smooth journey from application to arrival in the UK.

'We are proud to offer a well considered, quick and efficient service. Our aim is to find the right school for you and to help you throughout the process from initial consultation to arrival at school.' **Lana Foster, Managing Director**

James and Lana Foster, Directors

a great choice of universities

University of East Anglia

University of Essex

OXFORD

Oxford Brookes University

placement in three easy steps

We are often asked how long an application will take to complete. This does vary according to the time of year you are applying, which university you are applying to and how quickly you get us the information we need. We promise to give you quick responses to your emails and phone calls and rely on you to give us the information we require quickly. We then endeavour to make the process as smooth and as fast as possible. There is no charge for our placement service.

1. advice

Bright World can help with the choice of university if we are given guidelines. Please let us know the student's name, date of birth, level of study reached in their country, what English qualifications or level they have if known, what university subject they would like to study and at what level. We will then come back to you with some suggested courses.

2. Application

All applications should be sent to us scanned and by email. For undergraduate and postgraduate applications please send the following:

- The application form—please mark Bright World in the correspondence address. If you are applying via UCAS then please send us your reference number.
- Copies of High School Grades and transcripts for undergraduate applications and Degree certificate and transcripts for university applicants
- A personal statement
- Proof of English ability like IELTS or TOEFL
- One academic reference for undergraduate applicants and two for postgraduate entry

In addition, if you are applying for an art and design subject for undergraduate and postgraduate entry, you will usually need to enclose a portfolio of your work. If you wish to apply for an MBA, at least 2 or 3 years working experience at managerial level is required.

Once we have received this we will pass it onto the university and will let you know as soon as we hear. Usually universities will send out decisions up to 4 weeks after the application is made but this can vary per subject, university and time of year.

3. the offer

The university will send us an offer or in some cases a rejection. The offer will either be unconditional or conditional. We will send you a scanned copy of the letter explaining any conditions and then it is up to you to send us the acceptance forms for the university you have chosen. You will need to think of the following:

- Accommodation—this is limited at universities, so you will need to make arrangements as soon as possible.
- Deposit and fee payment -universities will usually expect at least a 10% deposit to be paid before they issue a visa letter. Some may also ask for full fee payment at registration.
- Visa— you need to plan in advance and pay the deposit in order to get the required official invitation from the university to allow you to get your visa. If your university requires you to have a UK guardian because you are under 18 you will have to let them know who this is at this point. We hope you will choose **Bright World Guardianships**.

Bright World Guardianships— how to apply

If you would like more information on our Guardianship Programme then please email one of our team at: info@brightworld.co.uk or complete an enquiry form via our website: www.brightworld.co.uk
We will then send you our leaflet.

Once you have decided to proceed then please use our online application form which is also accessible via our website. If you do not have access to the internet then please fax us or call us and we will fax or post you an application form.

You will then have started your guardianship journey with Bright World. Your dedicated Head Office contact will be very happy to send you your welcome pack which includes your membership card. This can be used by you in the case of an emergency. We will also be happy to complete forms for your university that they require to prove that we are your guardian.

For a safer and happier guardianship experience— choose Bright World Guardianships.

'Bright World is a caring and very efficient Guardianship Organisation.' John Dunstan, Chairman, AEGIS
